ALASKA USA TRUST COMPANY ANNOUNCES PROMOTION

Alaska USA Trust Company announces the promotion of Fred Miller to Senior Vice President and Chief Operating Officer. He will oversee all trust company operations and serve as representative to the community.

Miller has been employed by Alaska USA Trust for more than three years, serving most recently as Vice President and Chief Operating Officer. He was previously employed as Vice President of Northwestern Trust and Investors Advisory Company in Seattle, Washington. Miller has more than 10 years in the investment industry.

Alaska USA Trust Company, a wholly owned subsidiary of Alaska USA Federal Credit Union, provides services for individuals and institutional investors. It administers more than \$700 million in custody and debt services.
