Alaska USA to Build Financial Center

Alaska USA Federal Credit Union will build a Financial Service Center in midtown Anchorage, to open in summer 2005. The 92,000 square foot facility will house Alaska USA Trust Company, Alaska USA Insurance Agency and Alaska USA Mortgage Company, among other services.

Bill Eckhardt, Alaska USA President, remarks that the new building “will provide greater convenience and easy access to Alaska USA’s full range of financial services.”

The Center will be located at 36th Avenue and Eureka Street, which is two blocks north of Alaska USA’s administrative offices on Credit Union Drive near Tudor and C Streets. The building architect is Cole and Thompson and the general contractor is Criterion General.

Alaska USA Federal Credit Union is a not for profit, member owned financial institution with over 260,000 members worldwide. The credit union has 39 branches in Alaska and Washington.
